

Car Parking

There is FREE onsite parking at the NEC for Exhibitors and Visitors, sponsored by Emergency Services Times magazine. The nearest exhibitor parking sites to Hall 5 are The East Car Parks. When these are full you will be directed to The South Car Parks. Please see [NEC site map](#), and also the [NEC Handy Tips - Traffic & Parking](#).

NB: As there are several events being staged at the same time as The Emergency Services Show 2017 your Exhibitor Badge will need to be shown to a parking attendant at the point of exit to qualify for free parking. You will be charged £12 per vehicle if an Exhibitor Badge is not shown.
