

Part		CapnoTrue® AMP / ASP / MG – compatibility of component versions		
Front housing	Photo			
	REF:	3090512025	5090512006 (incl. Window - AMP REF: <b>4090512019</b> , ASP REF: <b>4090512020</b> , MG REF: <b>4090512021</b> )	
	Info	Initial version	Shaft shorter and with metal nut	
Housing screws (long)	Photo			
	Info	Long screws are Tin, <b>10 mm</b>	Long screws are metal with fine thread, <b>20 mm</b>	
V-holder	Photo			
	REF:	<b>3090122008</b>	<b>4090122001</b>	
	Info	Initial version	ID screw is larger. Use metal fine thread screws to connect to device	
V-holder screws	Photo			
	Info	Tin, <b>18mm</b>	Metal, fine thread, <b>26mm</b>	

Part		CapnoTrue® AMP / ASP / MG – compatibility of component versions						
Silicone Cover	Rev.							
	REF:	3090122006	6090122004					
	Info	Initial version	V-holder can be connected while silicone cover is attached					
Back housing includes Battery contacts + cables, Battery cover, power supply connector rear label, USB port cover	Photo							
	REF:	3090512013 (blue); 3090512012 (yellow)	4090512022 (blue); 4090512023 (yellow)	6090512007 (blue); 6090512008 (yellow)				
	Info	Initial version	Shaft screw longer, bigger ID	Fits UL power connector				
Power connector	Photo							
	REF:	3090512001	6090512010					
	Info	Black female connector – initial version (NO UL)		Fits metal male connector (UL)				Housing with connector REF: 8090500001 to fit power supply REF: 10090122001 + power PCB and battery contacts
Power supply	Photo							
	REF:	3090122002	6090122003	10090122001				
	Info	Output: 6V; NOT UL connector (black)	UL approved, connector (orange)		UL approved, bluepoint connector (black)
