

Van programming MG text same as 2101
Supplier Returns: CG, EC, CCL

Steve Hardaker?

none warranty Repair over 1000 so
new usually wanted.

Seen Red circle where ramio adapter goes
that or pump Some result - over £1000 repair.
usually new. if want repair of back.
only Return on rare occasion customer wants repair.

DL# — No Action Auto delinco.

disable issue, or leave - just need issue
/ to check list
can we do red at top page.

→ if PO updated from log Change to existing not
if new appears on list.

Thoroughly checked daily - ~~was~~ ^{was} ~~not~~ ^{not} ~~done~~ ^{done},
check issues to see if logical Date, type
also see if stock in as sends issue when booked in.

UPS emails - to office SC to training.
update world ship need engineer to
put new email in. also to UPS@vicmel.co.uk
in procedure.

Need to be checked daily. Issue #

emails UPS exception DL ~~yes~~. HL no.
VST + named Exceptions. HC-zoey

Stock count - can we send issue count shelf X
automate.
tidy + make sure nothing there
shouldn't be

Need
Procedure

Handograph Consignment stock.

office do van PO. Ryan gets list issue
goes to CG RS check this to office.

JJCCR cables doing as fast as can
one a week for next 3 months to keep up
400 a month. 300 at a time.
- core an attention needed.
MG everyone identical.

*

SN 3 months stock 1 week to do 300.
Production - job needs renewing all time
upto date.

QA stock move - CL not CG.

#CH ~~Abolish~~ caps - give to catrin Add to pallet
torches - need sort.

Cabinets not ordered dawn to 4
QA.

Send deleted ones back next time new in.

Cabinets 30, fit in Kitchen 2 people
Jobs.

Build 20 before on shelf QA as
build keep 10 as specials.

DBZ 3 years of current max.
1400

Sell 400 a year +.
boxes for 254

no space for all
plastic ones

need 500 orderings WAG end year.

tech Care still use bin most

need new ATP test strips.

same stuff
use loose
tip in hand
if wiser dry
