Hi Steve,

Hi Steve,

attached the VM-2160 (SMARTsat) for release IFU v3.6

Also the MARKUP of changes compared to the version you reviewed.

Comments on your review attached, let me know if you disagree.

I asked Denver to have a last look on the part numbers (pages 26, 27). Marked yellow are parts we don't sell. It seems correct to rather take them out. We have not done any tests (for example motion, vibration, in ambulance etc. Can you agree?

Thank you very much for reviewing, much appreciated.

Best regards,

Heidi
