

❖ Three-in-One Adapter

- Up to three connection options in a single re-usable connector
- Quiet; Minimal patient stimulation during use
- Connects Large Bore (22mm), Small Bore (15mm) & 1/4" Cannula to any DISS fitting
- 2-in-1 Option for High Flow applications available (22mm & 15mm)
- Made from machined aluminum

About the Three-in-One Adapter

The Three-in-One is designed specifically for use with multiple sizes of commonly used medical tubing. It provides the user with the option to connect 22mm Large Bore, 15mm or 1/4" cannula tubing to a device with DISS fittings. A Two-in-One style is available for High Flow applications (22mm and 15mm connection).
