

Customer information regarding spare parts for Infant Warmer Ceratherm **600-2**

This information concerns the following spare part:

Item Number:	521-185001
Description:	Controller Board
Device:	Infant Warmer Ceratherm 600-2
Price per unit:	€366.00

Unfortunately, we have to inform you that individual electronic components, which are used on this Board, have been discontinued by the manufacturer at short notice and can therefore no longer be procured. For this reason, it is no longer possible to produce complete Controller Boards for the Ceratherm **600-2**.

We offer the following options:

1. We invite you to send us the Controller Board for repair. Repairs are still possible.
2. We supply you with a replacement device of the type Ceratherm **600-3** (Item no. 521A-60020-3) at a special price of **€650.00** (*).

Please let us know which of the two options you prefer.

We apologize for this inconvenience and thank you for your understanding.
