Dear Sir or Madam,

In line with our ISO standards procedures, please find below notification of price list updates to the **Tom Thumb Infant Resuscitators**, effective as of the 1<sup>st</sup> January 2019.

Part Number	Description	Price	<u>Delivery Charges</u>
			Delivery Type
0310030	TT480 Tom Thumb Infant Resuscitator	£???.???	£10.00 UPS Courier
0310094	TT480 Tom Thumb Infant Resuscitator with Pole Clamp	£???.???	
0310095	TT480 Tom Thumb Infant Resuscitator For use in Viamed Infant Resuscitation Cabinet*	£???.???	

This revised pricing is due to high increases in both manufacturing and transportation costs. We are actively seeking alternative lower cost manufacturing that complies with our ISO and CE certifications; and that also meets with the requirements of and changes to the Medical Device Directive. We will, of course, keep you updated should a viable alternative become available.

Should you require further information, please do not hesitate to contact a member of our team on 01535 634 542; between 09:00 and 17:30

Yours sincerely
