Dear Sir or Madam,

In line with our ISO standards procedures, please find below notification of price list updates to the **Radiant Warmers**, effective as of the 1st January 2019.

0310300	Radiant Warmer Ceratherm 600-3 without mounting bracket	£????.???
0310301	Radiant Warmer Ceratherm 600-3 with fixed wall mounting bracket	£????.???
0310302	Radiant Warmer Ceratherm 600-3 with double hinged arm and wall mounting bracket	£????.???
0310303	Radiant Warmer Ceratherm 600-3 with double jointed arm and ceiling anchorage with height adjustment (spring loaded arm)	£????.???
0310304	Radiant Warmer Ceratherm 600-3 on mobile floor stand with height adjustment	£????.???
0310305	Radiant Warmer Ceratherm 600-3 with double jointed arm and wall mounting bracket with height adjustment (spring balanced arm)	£????.???

This revised pricing is due to high increases in both manufacturing and transportation costs. We are actively seeking alternative lower cost manufacturing that complies with our ISO and CE certifications; and that also meets with the requirements of and changes to the Medical Device Directive. We will, of course, keep you updated should a viable alternative become available.

Should you require further information, please do not hesitate to contact a member of our team on 01535 634 542; between 09:00 and 17:30

Yours sincerely
