Precision Medical ISO 13485:2016/MDSAP
Certification Status

Dear Customers

We have had our ISO 13485:2016/MDSAP upgrade audit and are patiently awaiting our updated certificate.

Please find attached our letter of recommendation and current certificate which show current status.

Please check our website periodically to watch for the update.

If you wish to be added to the customer list to receive the updated certificate as soon as we receive it from our auditing organization, please send an email to
kstackhouse@precisionmedical.com.

Thank you in advance.
