Dear Mr Gray,

### Introducing the Maxtec UltraMaxO<sub>2</sub> Analyser

The UltraMaxO<sub>2</sub> analyser was designed to quickly verify oxygen concentration at a glance, including the flow and outlet pressure of oxygen concentrators. Its advanced design provides high-level performance and reliability. The UltraMaxO<sub>2</sub> oxygen analyser includes the following features:

- **Accurately measures oxygen, flow & pressure**
- **No oxygen sensor required**
- **No in-field calibration**
- **Self-diagnostics**
- **Shielded, reinforced sample gas inlet port**
- **Measurement range: 20.9 - 96% oxygen**
- **Warranty: 36 months**

Please find enclosed leaflet and price list detailing the Maxtec Analyser and Monitor range. Should you have any further queries, please contact a member of our sales team on:

**+44(0)1535 634 542**

(Between the hours of 09:00 and 17:30)

Yours sincerely

Catrin
