Attention: John Krische

Dear Mr. Krische:

RE: INSPECTION OF April 3, 2006 TO April 4, 2006, FINAL INSPECTION REPORT

On April 3 to April 4, 2006, an inspection of your company was conducted under the authority of the **Food and Drugs Act (Act)** to verify compliance with the **Act** and the **Medical Devices Regulations (Regulations)**. A final inspection report is attached which lists any noncompliances with the **Act** and the **Regulations** which were identified during the inspection. The findings of the inspection were discussed and presented as a draft inspection report at the closing meeting held on April 4, 2006.

It has been noted in the inspection report that all noncompliances and observations identified during the inspection were corrected during the inspection. Therefore, at this point, the inspection is now considered closed as all non-compliances and observations have been addressed. Thank you for your co-operation and your compliance with the Regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Francisco Laguan".
