Dear Sir or Madam,

MaxBlend Lite

A must-have accessory for your blender

* Blender not included

Viamed is pleased to introduce the **MaxBlend Lite** to its Blender and accessories range.

The **MaxBlend Lite** is designed to provide all of the features of the MaxBlend 2 to customers already using a stand-alone blender. When paired with an existing blender, the MaxBlend Lite provides its users with the added features of a built-in oxygen monitor with high and low alarms, and a flow meter. This product securely attaches to your blender using a specific independent adapter block.

Part Numbers

MaxBlend Lite – NIST Inlet 0 – 15 lpm – Low Flow

0310271

Please find enclosed a leaflet concerning the **Maxtec MaxBlend Lite** for further information.

Should you have any further questions regarding this, please do not hesitate in contacting our sales team on 01535 634542 between 9:00am and 5:30pm Monday – Friday or email **blenderbuddy@viamed.co.uk**

Yours sincerely

A handwritten signature in black ink that reads 'Catrin'.
