Hi, we placed an order on Friday for the above item (PO number = 4502917705) and we were advised that the price should be £71.59 no £68.

We amended the price as requested, however, this was then queried with Rachel Clifford (our buyer in Procurement) and she advised that she'd received a price list earlier in the year (as attached) confirming the price @ £68

Could you please double check this for & let me know ASAP

Thanks
