

- Cathy meeting 18-9-20
- Problems with single Barcode items
Dech still have to create part numbers

①

Need a way to say taken SU boxes/
Labels - sensor.

There is issue with Stationary as
not necessarily going to have a part No.

- Stationary - Routine - No Bar codes.
Cathy free type with order No.
with no internal Stock ref need
Simple way to book in and order.

CG - need a way to change cost
each time.

Possibly Clone PO page for Cathy

~~Batch~~ QA - ^{max} AE - Cathy concerned not
Batch doing QA. DL do the couple
DL will note Batch QA done. CG doesn't
need to press Batch QA.

DL - Just do QA on ones you QA.

Cathy Max AE x 12 no paperwork - DL
book them in. PVM + S/N got.
CG to tell SN - Dech told her to.

Teledyne still arriving as some sensors 79 approx
R22 meds. 1 box. Still with UPS. part
Returned to teledyne.

getting people in week on Monday

(2)

10-4 ish. Work days.

Will not be allowed in warehouse.

VST- Envitec - Back to back order
cables + ties. SN did he passed to
SCW - not being done.

Some are needs to do it. Also old ones
not done.

Issue to Derek he'll talk to SN.

Phil email - Yes he can be emailing
customers. Catrin setting up #
Catrin - Issue DL.
