TOF^{3D} neuromuscular transmission monitor accessories

**TOF^{3D} Neuromuscular
Transmission Monitor**
Part No.: 2510091

REF	Part No.	Description
5750108	2510102	Main Patient Cable*
Overall assembly length: 262.5 cm, cable length 250cm		

REF	Part No.	Description
5750106	2510105	Skin Temperature Sensor
Overall length: 33.0 cm, actual cable length: 27.0 cm, attaches to the hand adapter.		

REF	Part No.	Description
5750105	2510104	Acceleration (AMG) Transducer*
Overall length: 34.5 cm, actual cable length: 30.0 cm.		

REF	Part No.	Description
5750107	2510103	Stimulation Cable with pinch clamps*
Overall length: 33.5 cm, each flying lead: 29.5 cm.		

REF	Part No.	Description
5750100	2520110	Hand Adapter
Supplied with two silicone straps. Additional straps available as a pack of 10. 5750122 2520018		

REF	Part No.	Description
5750101	2520111	Thumb Adapters (Box of 50)

REF	Part No.	Description
5750102	2520112	Eye Adapters (Pack of 50)

Standard Paediatric Electrodes
