Hi Peter,

The TOF 3D Simulator is now available for download from our website via the following direct link.

http://www.viamed.co.uk/library/sim/TOF_3Dv1.0.exe

The Instructions For Use are attached to a previous email on 31st August, if you need them re-sending, please let me know. To accompany the Instructions For Use, I have also attached a quick guide training document that may be helpful.

If you have any queries, please feel free to ask; I'm not clinically trained but I should be able to find the answers for you.

Regards,
