Subject: Re: Neuromuscular Monitor

Dear Roz,

Thank you for your interest in the TOF 3D Neuromuscular Transmission Monitor.

I would be happy to organise a 30 day no obligation trial of the TOF 3D unit for you - however, all our trial units are already out on loan at the moment.

I will place your request in our 'queue' and be in touch soon with an estimated delivery date for a trial unit. Please can you let me know the best address to send the unit to please?

In the meantime please could you complete and return the attached terms and conditions form? Many thanks

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday 9.30am-3.00pm

We are currently working remotely however telephone calls to the main office will still be answered.

Hi,

I wonder if you could help me.

We are looking at purchasing some new nerve stimulators and I received some information on your product.

Would it be possible to have a look at one or 2 so that the anaesthetists are able to have a play with them before we purchase any. I have shown the information you sent through to me to our Clinical lead and he is quite keen to have a look at it.

I received the information from Catrin Hollings in Marketing if that helps in any way to help with this enquiry.

Thank you in advance.

Regards
