Thanks, yes one for now, and the address is correct.

A trial would be useful just to make sure everyone is happy with it before we place the order.

Andy

Good morning Andy,

Thank you for your email. Please see attached official quotation relating to 1 x TOF 3D. I am unsure what quantity you require for this quotation, so I used quantity of one. I can of course make any changes you require.

Please let me know if the addresses I have used need to be changed also.

Once you have decided whether you require a trial device, please let me know and I can start the process with a form to be signed.

Many thanks.

Kind regards

Kate Griffiths

Hello Andy,

Thank you for your previous enquiry regarding the TOF 3D Neuromuscular Monitor.

Have you had the chance to review this information?

I would be happy to help with any feedback or questions you may still have.

We do offer a 30-day trial, should this be something which is required, to formalize a trial I can send over the relevant paperwork which will need to be completed by an authorized person within the Trust, including the specific department where the trial will take place.

Should you require an official quotation, please advise the quantity of devices and the accessories you require.

I look forward to hearing from you and if you have any queries, please do not hesitate to ask.

Kind regards
