Product	MaxBlend 2	
Document	**DOC ID**	
Warranty Statement	Generated from stock page	
GTIN List (if required)	Self Generated	
General Disposal Instructions	85815	
Maxtec EC Certificate	58153	
Maxtec ISO 13485:2016 Certificate	56141	
Maxtec Oxygen Sensors MSDS	35608	7296
Maxtec RoHS and REACH Declaration	26845	
Declaration of Conformity	84256	
Instructions for Use	77060	
Technical Manual (if available)	81737	81741
Leaflet	33018	
Maxtec Blenders Overview	33024	
Spare Parts List	Self Generated	
Viamed Oxygen Sensor Disposal	29323	
Viamed User Training Policy	82827	
Viamed ISO 13485:2016	82739	
Viamed Labour Rates and Charges	85837	

VM3COP23.03 PAQ Documents Required

List of Variants	Price List if available, if not self generate from stock group
List of Accessories	Price List if available, if not self generate from stock group
GTIN Numbers	If PAQ for one variant, add to PAQ form. If for group of variants, generate GTIN list from stock group and add to technical files CH1.05
Device Brochure/Specification	Leaflet and/or Data/Specification Sheet
Manufacturer EC Declaration of Conformity	From Document Index
Manufacturer ISO 13485:2016 Certificate	From Document Index
Viamed EC Declaration of Conformity	From Document Index
Viamed ISO 13485:2016 Certificate	From Document Index
Warranty Details	Generated from stock page and uploaded to Technical Files G 6
End of Life Waste Management	General Disposal Document, Oxygen Sensor Disposal Service (if applicable), User Manual (if included), RoHS & REACH Declaration
