TOF 3D Hand Adapter – REF: 2510110

Also included are 20 x TOF 3D Thumb Adapters – REF: 2530131, these are single use items which are being given to assist with the trial.

The unit is new and unused, so if the trial is successful and the Trust wishes to purchase the instrument, we would just need a purchase order as per the enclosed quotation.

Please can you ensure that the purchase order contains the comments "Goods already supplied, ref SOR945".

The trial is without obligation; if the instrument does not prove suitable, please return it in its original condition via a traceable courier service, complete with original packaging, accessories and any unused consumables.

I have allocated a standard trial period of four weeks and have included a delivery note to cover the indemnity for that period. I shall contact you in due course for any feedback and decision as to whether the Trust wishes to purchase the device.

If you have any queries, please do not hesitate to contact me.
