

Finger Pulse Oximeters

**Premium
oximeter ideal
for Emergency
Services
applications**

Incorporating the latest technology; a clear and bright colour OLED display encapsulated in a unique durable, soft silicone housing.

Fast and accurate measurement of SpO₂ and pulse rate, even in cases of low perfusion.

**High clinical
accuracy and
robust; ideal
for hospital
applications**

**Inexpensive
pulse oximeter
for general
applications**

**Specially
designed for
paediatric
patients**

Ultra-compact,
lightweight pulse oximeter with colour OLED display
