November 2022

Dear Mr Cowan,

**Viamed: The Leading Medical Oxygen Sensor Supplier**  
**Datex-Ohmeda Equipment Compatible Oxygen Sensors**

The **extended** range of Medical Oxygen Sensors from Viamed provides the **Widest Range** and the **Latest Technology** to allow you to get the best value for money when using OEM and compatible oxygen sensors. The range includes compatibles for GE Datex-Ohmeda Equipment such as Aisys & Aestiva Anaesthetic machines, including the R-30V oxygen sensor.

Part number	Description	Price per sensor (with quantity discounts)			
		1	2	3 - 10	11+
0110040	Oxygen sensor, R-30V	£54.00	£51.30	£48.60	£45.90

Viamed continues to provide an oxygen sensor **quantity discount pricing** structure, there is **no minimum order value, free of charge delivery** and the **NHS credit facility** is offered on our **entire** range of oxygen sensors. I am sure you will find that this makes ordering easier and provides an extremely competitive package on quality, price, delivery and support.

Should you require further information on applications and compatibility, please visit our website – **[www.viamed.co.uk](http://www.viamed.co.uk)** or go straight to our cross reference **[www.viamed.co.uk/xref](http://www.viamed.co.uk/xref)**. Should you wish to place an order, or cannot find your oxygen sensor or equipment listed on the online cross reference, then please contact a member of our sales team on 01535 634542 or email [orders@viamed.co.uk](mailto:orders@viamed.co.uk).

Yours sincerely

Catrin Hollings
