

### Report on the replacement rate of Microstim DB3 leads

The following graph shows the combined sales (UK and export) of Microstim DB3s per annum in comparison to the sales and free-issue of replacement leads.

**Annual lead sales vs accumulated DB3 sales**

The table below shows replacement lead sales per year as a percentage of the total accumulated sales of Microstim DBs (i.e. number of units in service).

Annual lead sales as a percentage of total Microstim DB3s in the market					
	2006	2007	2008	2009	2010
Accumulated DB3 sales	59	264	714	1091	1285
Annual lead sales	3	19	135	167	253
Percentage	5.1%	7.2%	18.9%	15.3%	19.0%

In 2010 we sold a lead set for approximately 19% of all the Microstim leads in the field.
