Hi Cathy

I have had feedback from UAE and unfortunately they have not been able to find your products or offer any explanation as to what you received back.

The only option for you now is to submit a claim in the normal way.

Many thanks.

Kind Regards

Jenny

Dear Jenny

We are still having problems with this order, please can you help. We have contacted customer service and they were unable to help, we have emailed UAE customer service, and still no reply from anyone. The original parcel was sent to our customer on tracking number 1Z9W96380476727357, there has been no update on the tracking number

since early November, the parcel was meant to be returned to us. However we did receive a parcel from UAE on tracking number 1Z729AF40474053238, but the contents of the parcel were not ours. Please can someone look into this as this is now an urgent issue, as our customer is in need of the products. Please see attached the pictures and emails sent to UPS. Please also find a copy of the order attached.

Hi Cathy

I cannot see what the issue is but I've checked the tracking no and this was on government hold and should have been processed for return back to you.

Have you received this back or what is the issue?

Many thanks.

Kind Regards

Jenny
