0002 UK Distributor	<b>CPT</b>  No insurance line on the order.	<b>CPT or CIP</b>  Customer must confirm if insurance is required including relevant Incoterms 2020 on the order.  If insurance is required, we charge this to the customer at 1% of total goods value (ex-VAT). The minimum we charge is £10.00 due to UPS terms, regardless of value.  i.e. Order value is £75.00, 1% is £7.50 but due to the UPS terms we still charge £10.00. This is added as a declared value to the UPS system by Goods Out.  If our insurance is declined by the customer, all liability and responsibility of goods due to loss or damage passes to the customer once it leaves Viamed's premises.  Distributors are required to complete an Existing Distributor review form annually to confirm their insurance requirements.
