

① SN ultra max. 15 an way.
for medical aid.

need to pay before ship more

proforma for 3 over
med aid Credit limit.

10 more an order for our
stock.

TOF 3D net interested
1kg up to 80kg animals.
CEX vets.

SN did training had pc issues.

Can you organise you a
pass. for Hospitals.

SH will look at getting for
all the company's getting in to
Hospitals.

going to go to Gbsyeu anthesis
conference.

good feedback

if we can get to 60/70
we should be ok.

② not approved for under 18's
but can be used on younger
down to clinician.
good little unit.

We won't be in Rep - will be
Wardray Aeris re MIPM.

DL how do we log training in
system.

SH word doc template.

DL need to use training manager
and place for feed back.
will work with SH to get
something for External Customers
not just Staff.

Big hole in system need to make
sure we have in system.

SN Eymax 300 Regulars now in
will be getting more in soon.

need to order Neomask.

Rs enquiry re Muscat Pharmacy.
told them better supply
from Neomask.

③ Teledyne - do not have any
one who understands O₂
Sensors.

SN Capnographs
2160's

change to main Smart stat
new micro improving it.

by May 23 should be coming
through.

ordered probes too. From Blueprint

SN BP looking at prices increase
again. They discussing.

2160's may have to increase
again.

Nagin / Nelcar / Massimo all
not developing new things.

no estimates came in so
if no warning you can't
have immediately if you don't
give me forecasts.

SN Dosey + Enutec Prices.
to be released.

SN. Scampdes - Hamilton are 300/500
Euros standard IT Gambet
Sensor. Worth 60 Euros.

RS is it Chipped.

⑤ Can you chase dhr one.
RS yes done chased.

SN - Samples
SH yes got £71 single unit
minimum 2 - memcd.

GE 78.50 2 min order
Drazer 215.00 " "
re use the

Mahey ^{Adult} £307 ^{infant.} £288 10 pack.

RS order via
can get hamilton x2 Mahey + Philips.

Let me know which ones you
want.

SN yes order

SH give me list on quantities
condition only missing.

SN CH only contacted Benzl
memcd seem good.

SH can get hard to find items.

DL new Distributor list. to see
who has filled in form

⑥ need new farm.

DL need list to be CID not
old opera account.

Temp probes cleaning and
sterilising #249504.

SH Sent to SN to do final review.

No UH RP on labelling.

SN Don't need.

DL SN SH sorting.

DB nerve stim. - Thomas medical
and on website for vet.

cabinet servicing no longer
doing have to tell customer.

max blend issues add to
tech files. leaving for now.

mount bracket - maxtec
hoping it will disappear.

We can't force them to do
anything about it.

SH 252744 to get one final
letter from hosp.

⑦ sample due mercury
medical.

sample from German Company
should be here

SH-Aii sensor any news.

SN will try again. will check
with maxtec.

SH there CE mark has run
out palm O₂

SN could happened
maxtec might low out put
4-8 mv

SN offered discount for these
4 sold.

New Dehas tam thumb is
had a look Phil to
test.

SN 11000 - Eden medical Les + Dave
said we didn't respond to them.
Eden Rep.

RS 2 companies that cancelled
so we'll contact them.
