RS SN

R33DE need a special Cathode
problems getting from Enutec
still getting from teledyne.

RS long term we adapt is
house.

DL its not medical does it have
CE

RS no and yes has CE

DL if modifying should we be
taking CE off modified sensors.

remove CE labels from modified
sensors.

Do we need VST Vandagraph
Branch office as well.

SN proving concept with Viamed.
purely for administration.

DL can Dana do VST + VAN
