

Wed Meeting 24/5/23
all present

New format meeting

SH - Did Emtec training on
manitors both buildings
did posing training too.

added to training manager
if update training Reg reading -

MLF19 + MLF19 GE
same but has removable flow
diverter.

customers using original Flow
diverter on new sensors.

don't know if our Flow diverter
will work..

sensor compatible - just Flow
diverters.

SN
look at getting some?

don't know if GE add them or
if Gambert do.

'does ^{add} not include Flow Diverter'

'has M16 upst thread but
not come with GE Flow
Diverter'

Issue - 296007

2 SH
TOF lead x1 3 to musgrave
park.

6 still waiting approval from
customer.

CVS vet TOF need approval,
offered buy back deal

SH Manchester Perfusion Mysign
ordered 5, order is in and
we have stock.
pushed towards kits.

SH microstim Servicing someone
asking wants to get done
£60 2520000 2580000 £40 ← succeed.
two part numbers in system
some memo. unsure which to use

Castle Hill have come
to us re TOF. Had Shim
pod but accessories are costly.

SU 6 to 10 units order?

SH 1 would
want until Oxford order.

SH Max blend 2 trial about to
start. Have new and demo.
probably send new.

3 SH
weather failures

SN price has gone up.
have already gone up.

SH 7 failures over 10 years.
No issues age related failure.

RS Maquet sensors no trial
data back yet. have a Uni
Hosp who is going to look at
one.

SG out in world waiting on
test data and reports.

SN need by next week as Jessica
back by then.

RS putting old engines in intrastats
so can be easier to search
re Maquet

got 300 dryer sensors engines
R23

SN lots of products being stopped.
regulatory issues.

RS heron stream engines - same
Spain.
sampling line H's.

order size isn't enough for
Bluepoint.

They not doing end users.

4 RS Waiting on Docs for
Mysia from Enutec.
in Malaysia. #291623 sent SN.

contracts done for Seclara.
with Ryan.

DL need to do Vondagraph stock.

RS opportunity to sell TOF 3D
from Spain wan Carlos

SN 2 years agreement but
have to do reporting.
if got permission to do Spain
with MIPM, formally.
need more investigation with
wan Carlos. and other potential
customers need to be viable
must do research before
we do full price list.

need to say export for Spain
only.

CH can Order processing cost
add to other countries.

RS distributor agreements included not
excluded.

need full park figure

DL can you add price to agreement

5 could do a contract pricing.

RS contract pricing is good.

DL add contract price then add an alert. Not many.

CH 3 active contract prices.

SN will give you price tomorrow.

RS he has website doesn't have similar product.

DL Do we make them by minimum order.

SN we have obligation - registering/
training
will need MOQ's and annual sales targets.

RS need to get products for stand

CH lets get more/relevant boards.
SUV, waiting Dehas to see if we can add their stuff.

RS do we have more sensors.

lead free, do we get some samples?

ToF 3D, Blender max Blend 2.
Mysign Ultra max. Oxyquant S

6 Handli, max 02 ME,
meeting scheduled, next
Wednesday.

need new V1000. to take.

1 DL do we have the non programmed
ones. thinks 2 appeared
in. they with phil.

SN said they were programmed.
by Dave.

RS Libya. -

CH - poscy mailing one
response.

Blueprint leaflet. done for
Rygn.

Stand all working
2 end panels. will send right
one with you.

website - 02 page - contact us
for availability.

price per country.
Market - country

New website EU Automotive
exclude Poland

7 do France + Germany.
only to start with.

DL do we do vet version
for vet products.

set up time is lessened if
we do what we want. all at
once.

SN just France Germany
Automotive

CH can look from main site
to new site.

.com ?

CH clamps issue discontinue
France exhibitions.

SN can we get Exhibitors list.

CH medical flights
RS booked.
on boat 5 nights.

SN said he happy with my
flights and my length of time
CH to just book it.
