

23rd Aug 23 No CH
all rest present.

2160 ref smartSat can't justify -
Not selling any SmartSat.
could keep as not smartSat.
Price would go up.

Buy in 2160's - ok

Telechryse very behind with sensors
Should get reasonable amount
through.

will need to work at 4 to 5 Months
in advance.

Snadat customer complaint. have let
Bluepoint know.

Leaking - sampling lines.

Shale use looks like its a orig.
No other reports thing no one else
tested like this. is complaints.
to decide by finding what are

Should be doing.

SN - go through all docs soon
to make sure have service/
tech manuals, procedures,
QA etc.

a job for SH or RC to
check.

to maintain all manuals.

DL - got make sure Docs are
linked CRM.

SN - SH to do for named.

RC should be flagging up.

DL - when you do it / check it.

Rolling task or new task / Job.

once done should be easy
job.

SN - RC should do when coming in.

DL - Pension code section if

relevant for external Docs.

will turn it ability to service/
Repair before can do Repair/serve

servicing most profitably
we can do. Need to keep
MG + PC in work.

SN DB3 parts on web
V1000 underway, then
CeraTherm. I'm waiting on if
we can still get all parts or if
discontinued.

parts price list done

RS web tech services needed
badly. issue sent.

SH web site gas sampling lines.

No part numbers on primary
picture. issue sent + linked to
Wed meeting.

Renewed Sales Leads list.

SN - CH needed T&F MDR for
NHS frame work.

MIPM patient leads not necessarily
covered by Decl. of conformity.

DL Dive soft complaint ready to
sign off.

signed off.

155 needs to be added.
for Saadat.

RS - followed up flaw sensors
with some existing customers.

U.N.O.P.S. tender from Unicef site
But all grouped all products in
the range together. Which we
don't do.

RS looking at changing pdg
machine to square. from
Barclays.

Eye max orders

RS DDP Miraco Greece
really back for charges sent
by us we paid €16

SN possibly ship box of parcels
to Bluepoint Vland office
HL unsure what VAT implications
there are.

Will do for Vandalograph
on See. get UPS invoice.
RS will send issue to DL
re invoice.

SH finger oximeter training
done

Russell Hall order shipped

Lead for 22 Slenders Multi
Quote. Against F+P Same
Slender.

SN-Ceratherms asked SH to
check procedures + Docs.

Confirm all correct.

Can't sense warmers. too Risky.

SH Phil's Workshop - labelling
Eyemax.

SN asked him to tidy up.

SH will ask Robert - will send
issue.

Phil Servicing in Oldham
will need help. ML MG
to may be go with.
TO be discussed.

Bleiders coming in for service
20/25 Coming in, in batches.
inspiration. Southend Hosp.

can we send MG/ML as
Blender service course.
please can we find out cost of
training.

SH A/c order watch.

Stopped Jan 2020 DL to
look at it.

Tom Thumb spare parts. Damaged
ones - says in in SN room.

0330206. X100

DL zero valve in system.

SN MEC cheaper hoses
