

①

13 Sept 23 all present
Maguet Sensor need yes or
no. then need leaflet asap
as soon as we find out.

prev said they need more
test reports. Waiting on renew.

Enventer magvat Sensor.

yes/no, price policy, exclusivity,
marketing. Lets get marketing
prepared.

Samples IT Gambet

maxcel - lead free version only.

trying to get samples.

one will be medical. medical -
Gambet, magvat, LE series Critech.
Critech maybe get exclusivity.

10/12 Sensor could do with these
for medical. if we get it.

SN wants to go see them soon.

Sgx sensor tec. R22 ventilator.

DD Sensors.

(2)

medica for next week CH
need project list. shipping

* look at medica cost ship-
HL to do *

can we have list leaflets +
goods for next week
poss include RS new Ring
pulse ox.

flights.

CH graphics, furniture.

SV lets get sorted for next week

DL lets do tuesday at 11 19th

RS need a list of what we
want to display.

CH large cabinet. can decide
later have to tell them by end
of the month.

2160's 3 weeks lead time for
balance of orders.

should only be Cartessiss
poss medirect.

one sat from 2021 DL moved to

③

Missing stock loc.

SmartSat boards CH ask are
we still doing all as have
training. ViaMed + Bluepoint versions
3 x BP, via OEM, for inside
2160

OEM3 default boards.

2160 pricing quantities reduced
number of breaks.

RS price list to distributors - CH
yes. training first.

possible do tuesday. will do asap.

SV disposables more expensive
unit we get orders for them.

done spare parts list needs work.
95% of parts on there.

Left posing wraps of for now.
will add later.

CH query

Smart Sat powerful unit lower
cost. Can't be as cheap as Chinese

④

SN. TOF 3D + oz prices to do.
TOF - feedback form + insert
to sort.

SN 2160 mail shots. CH yes.

tunes at eyenax's

RS Fedex lost a box and
remaining 4 battered.

Fedex has broken 4 need to
renew how we ship
label named.

plastic bags to fit cut down
to be raised as complaint
DL decision.

Nova medison.

SN will go over next door with
carthy + Robert.

CH web site spare parts + tech
service page. Components still to
make line. checking with Steve.
SN yes make line

(5)

tech services SN Ok'd it to go live. SN yes

TOM Thinks serv + parts.

SN parts for spoz probes.

Company in states also sell on website.

DL med website parts microstim to spare parts. yes SN.

part numbers on O₂ sensors.

was sampling lines

CH to add template to add to ones that we can add to.

Can't do for 2160 with diff language packs on some others.

CH CRM sales log - spreadsheet chase up engineers. When do we add to sales log.

Active ones, if in Quote System it doesn't need adding to sales leads.

Don't keep records in office for Price enquiries.

⑥

Discussed GDPR - legitimate business interest as long as we say if they don't want to be contacted.

SN look at specific customers for problems. Add as a project. Active project to discuss later.

Finger oximeters sell at lower prices

CH can get to top of listering 10/13 % worth a go before reduce price.

SH Philips engineer liking MySign.

SN need to check they have claimed sticker on.

SH potentially 10 of them.

Max 02 ME CO3 error Jan 2020 poss cable issue.

TOF3D hats chasing up

⑦

problem, tech queries in manual. Missing symbols. now have latest manual, so ok. CVS nets. prev used TOF watch.

Humerton O2 monitors for incubators secondary monitors. one or two. Could mail shot EBME's to check accuracy of incubators ventilators. Issue sent to CH. SH doing.

Service training. one at on Road 2 in site need workshop to be ready.

max 125WS ordered - pushed towards Max 14.

RS enquiry 200 T-7's or T7V chased up Auto France no response.

not good but will keep us in
mind. We cheaper and have stock.
Vandagraph has quote
for mysign but sending to
Warren.

Tender for 2160 cant just bid
on one item also new horns.

Posey splints. missing 150 600--
cant go far tender.

PO for Vandagraph. SN has
done it.

RS have a customer that wants
us to export goods from UK
Company that won't export.
agreed to carry on.
