

Compatibility Test Report Statement

To whom it may concerns:

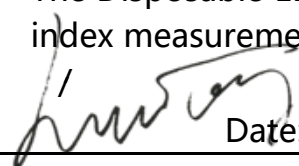

We, Medker Medical Electronic Tech (Shenzhen) Co., LTD is a professional manufacturer of Disposable EEG Sensors and declare that our product MK-01 & MK-02 are compatible with the monitoring equipment mentioned below:

Applicant:	Medker Medical Electronic Tech (Shenzhen) Co., LTD 5th Floor , Building A,Yeming Mold Ind Park,Baoshan Road,Guangming District,Shenzhen,China 518132
Manufacturer:	Same as applicant
Testing Laboratory:	Same as applicant
Standards:	Custom-made Test The measurement function of Disposable EEG Sensors in specified monitors
Item description:	Disposable EEG Sensor Adult / Pediatric for measurement of the bispectral index
Trade Mark(s):	Medker Tech
Model/Type reference:	MK-01 MK-02

Result: The Disposable EEG Sensor can work in the specified monitors and display the bispectral index measurement data

Remark:
