March 2024

Dear Sir or Madam,

City Technology Gas Sensors NOW available

Viamed's **newly extended** range of sensors now includes a range of gas sensors from **City Technology**. Allowing Viamed to provide the **widest range** and the **latest technology** to give you to get the best value for money when using OEM and compatible oxygen sensors.

Viamed provides a **quantity discount pricing** structure, there is **no minimum order value, free of charge delivery** and the **NHS credit facility** is offered on our **entire** range of gas sensors. I am sure you will find that this makes ordering easier and provides an extremely competitive package on quality, price, delivery and support.

Please find enclosed full details on the City Technology gas sensors range. Should you require further information on applications and compatibility, please visit our website – **www.viamed.co.uk** or go straight to our cross reference **www.viamed.co.uk/xref**

Also...

We continue to provide a **gas sensor disposal service**, as part of our Waste Management Policy. Should you wish to return any of your gas sensors (even if you have not purchased them from us) we will be pleased to dispose of them on your behalf in accordance with our ISO standards. Please contact us should you require information on how to send your depleted sensors to us.

Should you wish to place an order, or cannot find your sensor or equipment listed on the online cross reference, then please contact a member of our sales team on 01535 634542 (between the hours of 09:00 and 17:30) or via email oxygen-sensors@viamed.co.uk

Yours faithfully

A handwritten signature in black ink that reads "Catrin".
