Scheduled for: SNIXON (Steve Nixon), Wed, Mar 28, 12 10:53

Created by: SNIXON (Steve Nixon), 10:53, Wed, Mar 28, 12

Completed by: SNIXON (Steve Nixon), 11:05, Wed, Mar 28, 12

The MHRA need a few more weeks to investigate. They are still awaiting reply from Draeger. Dr Mulroy suggested that the investigations will probably be inconclusive and from the information supplied our product is not at fault. I enquired about a contact at MHRA in order to discuss non-alcohol based disinfectants, she said the person to speak to is John McManus 020 30807226
