There are 2 options to choose from, the first being our 2/3 course set menu as well as our no hassle Festive Finger Party Buffet which is filled with bite-sized treats and festive favourites. Please note that the menu attached is a sample and the dishes may vary on the finalised version which will be sent out over the coming weeks.

In terms of cost, for an event like yours I can offer you **Free Area Hire** but would need a deposit to secure the date.

Alternatively, we would not need a deposit if you decided to prepay for the packages whether food/drink or both as that will act as the deposit and it will secure the booking.

Please let me know if you would like a call to discuss anything further.

Kind Regards,
