Good Afternoon,

Thank you so much for sending over the CAPs; I can confirm I have reviewed and accepted the correction, associated root cause analysis and the corrective action plan, and the actions and timescales specified appear to be appropriate for the nonconformities identified during the audit. Verification of effectiveness of these actions will be performed at your next audit. As a result of the visit and the accepted corrective action plan, I am able to make a recommendation for certification/continued certification.

Kind regards,

Christopher A. Serna
