March 2012

Dear Mr Taylor,

### **Viamed 4000 Series SpO<sub>2</sub> Sensors**

As part of our ISO standards review, please find enclosed notification of price list updates to the Viamed 4000 Series SpO<sub>2</sub> Sensors', which will take effect as of the **2<sup>nd</sup> April 2012**. Can you please update your systems to take effect from this date.

### **Postage Charges**

Due to increases in transportation costs as of 2<sup>nd</sup> April 2012 Viamed are adopting a new postage charge matrix. Although we will continue to provide standard postage free of charge on many of our products such as the 4000 Series SpO<sub>2</sub> sensors, our other charges will change to the following:

- Minimum postage charge - Royal Mail 1<sup>st</sup> Class Recorded Delivery **£3.50**
- UPS Standard Charge **£10.00 per package up to 20kg\***

\* Please note some orders may require to be packed in more than one package due to size or weight, therefore for large products/orders and heavy items please contact us for a quotation.

### **Notification of Price List Updates – Contact Information**
