3. Lawful Basis for Processing

We process personal data based on:

- **Contractual necessity** – Processing required for contractual obligations.
 - **Legal obligation** – Compliance with statutory obligations.
 - **Legitimate interest** – Processing necessary for legitimate business interests, ensuring it does not override individuals' rights.
 - **Consent** – When required, we obtain clear and informed consent before processing.
-

4. Data Security and Protection Measures

To safeguard personal data, we employ:

- Access controls and authentication measures for system security
 - Data encryption and secure storage protocols
 - Regular internal and external security audits
 - Comprehensive staff training on data security and privacy obligations
-

5. Data Breach Notification

In the event of a personal data breach, we will:

- Assess the risk to individuals' rights and freedoms
 - Notify affected individuals if necessary
 - Report significant breaches to the ICO within **72 hours**
-

6. International Data Transfers

Where personal data is transferred outside the UK, we ensure:

- Adequate safeguards, including UK Standard Contractual Clauses or data protection adequacy agreements
 - Compliance with UK GDPR requirements for cross-border data protection
-

7. Compliance Monitoring and Audits

- We maintain detailed records of our data processing activities.
- Our GDPR policies and data protection measures are subject to **annual reviews**.
