Derek Lamb,

**Acceptance of Corrective Action Plan from Continuing Assessment Visit
Report No. SMO 30133042**

Thank you for providing your corrective action plan, detailing your actions to resolve the minor nonconformities raised during the recent audit. I can confirm that I have now had an opportunity to review and accept the correction, associated root cause analysis and the corrective action, and the actions and timescales specified appear to be appropriate for all nonconformities identified in the audit.

Verification of effectiveness of the corrective actions for the minor nonconformities will be performed at your next scheduled surveillance audit, and the duration of this visit may be increased to allow time for the verification. Any additional time requirements will be confirmed prior to the visit.

As a result of the visit and the accepted corrective action plan, I am able to make a recommendation for continued certification.

If you have any queries on the above, please contact me.

Yours sincerely,
Jun Wai Kow
