Hi,

In March we ordered 4 of the R-47V O2 cells, the PO number is - PO004704. The last one of the 4 in our stock had a manufacture date of 2024-04-01 on the o2 cell. The box it came in had a manufacture date of 2025-03-01.

Also, the o2 cell inside was a Honeywell (OOMLF204) I believe this is an equivalent for the R-47V cell.

Any help to resolve this will be greatly appreciated 😊

Many thanks,

Jake Jones

Dear Jake,

Thank you for bringing this to our attention. I've passed the details to a colleague for further investigation, and we will be in touch shortly with the next steps to resolve the issue.

Kind regards
