Family	71110000	Oil and gas exploration services

Class	71112000	Cased hole well logging services

Commodity	Commodity Title

71112001	Cased hole formation sampling testing services
71112002	Casing thickness measurement services
71112003	Chemical cutters services
71112004	Electromagnetic pipe recovery services
71112005	Well flow measurement services
71112006	Well fluid density measurement services
71112007	Well fluid temperature measurement services
71112008	Free point tool services
71112009	Gamma ray services
71112010	Jet cutter services
71112011	Measurement while perforating services
71112012	Neutron porosity services
71112013	Nuclear spectroscopy services
71112014	Well packer services
71112015	Permanent magnets pipe recovery services
71112017	Well pressure measurement control services
71112018	Production logging borehole fluid measurement services
71112019	Production logging density measurement services
71112020	Production logging downhole video services
71112021	Production logging flow measurement services
71112022	Production logging pressure measurement services
71112023	Other production logging services
71112024	Production logging temperature measurement services
71112025	Severing colliding services
71112026	Well logging acoustic services
71112027	Stuck point tool services
71112028	Thermal decay well logging services
71112029	Well tubular corrosion evaluation services
71112030	Well performance services
71112031	Well tubular services
