maxtec
Eugmax

only one valid patent in USA.

patent on tabs (cars velcro)

Neomash trying to trade mark it.
Logo + name.

Neomask.

Eugmax prob + cost. really high now. especially export.

SN not sure if was too cheap.

RS prob with his market cost too high

SN - good sales

will maxtec not supply if we have our own

run two products in parallel

giving to RS for customers who have complained
to start with

£ € \$ end + Dist really competitive

\$34 approx

RS Indians?

SN can do \$28 if get larger quantities, issues or quality.
Better prices. negatively supply two products.

Cost order in double stock

oh will patents. is open.

CE class 1 get data

Photo therapies light occulderity proved.

RS if future can approach maxtec customers.

told not to get. so can get
sit more established first. get
product in use + checked + supply

Prefer to sell in \$ if poss.

only this not done. per presentation of Billiband.
Can re sig if necessary.
RS - could use if time to do.

SN - not formulated test
Results DL/SSC said not need
BIS per given H/S
