## The Shuttleworth / Sealwise Bedside Cabinet

- 100% Waterproof
- 10 year fit for purpose guarantee
- Bacteria Resistant
- Made from recycled material
- 100% Recyclable
- Fire Retardant
- Non-porous
- Available with provision of patient's own drug storage
- Designed in conjunction with hospital staff
- Bespoke options available

- Easy to clean
- Soft-Close Moulded Drawer
- Braked Castors
- Soft-Close Doors

Manufactured from Sealwise WCB (Waterproof Construction Board), the cabinet is tough and impact resistant. Meets Infection Control Requirements - sealed joints and a smooth surface prevent bacteria from surviving. The cabinet is easy to clean and is 100% waterproof. Chemical cleaning products can be used safely. Can also be steam-cleaned if required. It also features an easily removable door for ease of access when cleaning.

Each cabinet is manufactured using high quality fittings and drawer-runners. Braked castors make the cabinet easy to manoeuvre. The cabinet features a soft-close removable moulded drawer and soft-close door hinges.

Made from recycled materials, the cabinet can be recycled at the end of its life, reducing the impact on the environment. With a 10 year fit for purpose guarantee, the cabinet has a very competitive cost life cycle.

A range of standard cabinets are available or **contact us if you have specific requirements:**

- To incorporate the provision of patient's own drug storage, the cabinet is available with an integral lockable medicine drawer to accommodate 500ml bottles and non-controlled drugs with a lower drawer and large cupboard for patient's belongings.

Dimensions: (w x d x h in mm)

Overall size: 510 x 585 x 990

Medicine drawer: 345 x 385 x 210
