Hello Steve

Thank you for your plastic token enquiry. Do let me know if you wish to have some samples sent out to you, I understand that you are interested in dark blue, yellow, mid green/ lime green and white. If you could let me know your address I will have these sent out to you.

Our standard token sizes are 25mm (10p size) 35mm or 48mm in diameter. Below are the costs for standard tokens, which can either be plain or have one of the following set designs embossed on one side free of charge. There is a minimum order quantity of 1000 tokens and these can be split into 500 of two colours if desired.

- 25mm - 1 Token, One Free Drink, Meal Token, House Point, Well Done!, smiley face
- 35mm - 1 Token, One Drink, House Point
- 48mm - Plain

To personalise the above tokens with your own embossed design will incur the price of the tokens and a one off part tooling fee to create the moulding plates.

Token Size	Price per 1000 Tokens	1 Side Embossed	2 Sided Embossed
25mm	£40	£120	£240
35mm	£56	£140	£280
48mm	£80	£165	£330

Alternatively, our printed tokens will incur the following costs each time that you reorder:

- Cost of Tokens - as above
- Artwork Set Up Charge - £24 per colour per side
- Printing charge - £48 per colour per side per 1000 tokens

I have attached our spec sheet for our token collectors for your reference also. If you would like any more information do let me know.

Lead time is currently 3-4 weeks from official order and approved artwork for bespoke tokens and 2 weeks for standard tokens, when do you require these tokens for? Delivery is charged at £15 up to 10k 25mm tokens, 7k 35mm tokens, 5k 48mm tokens. For printed tokens please add an additional £15 delivery. Delivery costs will increase if ordering collectors. All prices are excluding VAT.

If you need any more information just let me know
