Dear Ms Roberts,

**AlcoTrue M Breathalyser provides rapid and accurate
determination of breath alcohol concentration**

The AlcoTrue M Breathalyser is ideal for use by the Emergency Services as well as Accident and Emergency Departments. Its rapid and precise determination of breath alcohol concentration rivals its competitors. The high specification of this product provides five measurement modes, ideal for any situation.

Please find enclosed further information regarding the AlcoTrue. Should you wish to discuss this in further detail please do not hesitate to contact a member of our sales team on 01535 634542, between the hours of 9:00am and 5:30pm.

Yours sincerely
