12-2-15

Last week or early this week Lisa came to my room and spoke to me re a half day off she proceeded to tell me why. She didn't at any time say it was private but I should have taken it as such. Later on Catrin came in and while talking I mentioned speaking to Lisa. I told her I couldn't tell her details but did say Lisa was possibly trying for a baby. She went off and then spoke to the office and asked them. - in office also seems it was discussed in kitchen by Sophie + Catrin. I am pretty sure details came from office. I don't remember the discussion completely but pretty sure didn't pass on details. I have to assume details came from office.

after Catrin (this is all second hand now) spoke to office esp Sophie they. Sophie went to Lisa and told her Catrin had been asking and what they had talked about.

Lisa came to me to ask and at the
time I lied and said that I hadn't told
Caitlin but that she had overheard it.
this was very wrong of me. ^{my} Lisa
said if she had wanted ^{to} know
she would have told her. and she is
absolutely correct I was in the wrong and
it won't happen again:

I said Caitlin had overheard me and
denied. But then she said Caitlin had
said I told her and sent her to ask officer
At this point, being human I acted like
a coward and denied it. Stupid.

Everyone has done something wrong ex
Lisa but it all comes down to
me and I am responsible for this.

After speaking to Lisa I spoke to Caitlin
and apologised to her for involving her.
then spoke to Lisa again and said.

'it is my responsibility and I am sorry I
was indiscreet and it is my fault' I made
a proper apology and said it was all down to
me. then we left it there. I spoke to
Deek today 13-2-15 and told him I had
made a huge mistake

Verbal warning
13-2-15 to Helen Lamb.

for passing on information
that should have remained private
and I should have been more
careful even though I was
not specifically told not to say any
thing I should have known better.
