

Executive Board of the
Health Ministers' Council
For G.C.C States

3rd September 2015

To whom it may concern,

Upon submission of our qualification form, we would like to make the Executive Board aware of the following:

Viamed is legally responsible for the products that we seek registration for. Viamed is responsible for the final quality assurance, the supply and the after sales service. However, the manufacture is undertaken by the following companies under an OEM agreement with Viamed:

Envitec - Located in Wismar, Germany

Bluepoint Medical - Located in Selmsdort, Germany

Please find attached our supporting evidence in the form of our CE certificates, in which both the above-mentioned companies are listed.

Please do not hesitate to contact me if you have any questions.

Yours sincerely

Derek Lamb
