Dale,

Sorry for the delay I've just returned from annual leave,

We have removed Pulse Oximetry Finger Probes from Our certificate, as we now own brand another manufactures probes.

Dear Mr. Lamb,

Please find attached a draft copy of your certificate (CE 01389) which Mr. Vishal Thakker has asked me to send to you.

Could you please review the document and highlight any errors or omissions. Alternatively if you are happy with the documents could you please sign and date and return for my attention.

Thank you in advance for your co-operation.

Dale
