Dear Mr Goodall,

See my email sent to Richard Tully on the 26th August 2015, With having been double booked by BSI and a whole week of audits I assumed I could send all the corrective actions in one Email to BSI.

See attached files

Hi Richard,

Sorry for the delay, with a week of audits and then a week holiday I've been very short on time on my return to work, I have updated the initial action plan and got the non conformances into the system properly,

Please see attached our QC21 Non conformance reports

Dear Derek,

I have reviewed the corrective action plan.

Could you please provide some additional information.

For each plan, could you please provide the name of the person responsible and how the effectiveness of the action will be verified.

Kind regards

Please find attached an action plan for the non conformances,

as you are aware I have had BSI Auditors all week, and have a holiday planned for next week. so the plan is a little rushed

I will be revisiting the plan on the 25th of August, I will let you know if it changes at all.
