# Low Cost

## Finger Pulse Oximeters

Range of ultra-compact, lightweight pulse oximeters; adult and paediatric

- Manufactured by ChoiceMMed
- UK quality control by Viamed
- LCD, LED, OLED display variant
- Easy to use; 1-button operation
- Automatic power-off when finger removed
- Uses 2 x AAA 1.5V alkaline batteries

The **MD300** series of low cost finger pulse oximeters can be used in a variety of applications, for use in GP surgeries, clinics and dental surgeries, through to spot-checking before, during and after exercise.

The range includes LCD, LED, and OLED displays variants to suit a variety of situations, budgets and requirements. For full specification information please contact Viamed for further information.

All Finger Pulse Oximeters in this range includes: user manual, batteries and lanyard
