inc VAT
£31.67 ex VAT

Viamed offer a range of ultra-compact, lightweight, low cost finger pulse oximeters to suit a variety of applications, for use in GP surgeries, clinics and dental surgeries, through to spot-checking before, during and after exercise.

For paediatrics applications, we offer the OLED display MD300-C5 range which includes a variety of novel, child-friendly designs including frog, bear and pig, which are ideal for use with patients aged 2 and over.

Please find enclosed the latest catalogue. Should you have any further questions regarding this, please do not hesitate in contacting our sales team on (01535) 634542 between 9:00am and 5:30pm Monday - Friday.

Yours sincerely

Catrin
